2023 AARON BUTLER MEMORIAL PURPLE HEART RUN

**08/19/23 Eagle Island State Park
Eagle Idaho**

WHAT IS THE AARON BUTLER MEMORIAL FOUNDATION?

The Aaron Butler Memorial Foundation is chartered to honor the fallen, engage communities throughout our Nation in meaningful social action events, and close the growing gap between the Nation's Populace and the Warfighting Minority. Founded by veterans who were shaped by war, the ABMF strives to continue Aaron's legacy of tenaciously defending the oppressed. The ABMF achieves its mission through conducting the Purple Heart Run Series, and youth leadership development events.

WHAT IS PURPLE HEART RUN SERIES?

The inaugural Aaron Butler Memorial Purple Heart Run was held in 2019, and hosted 1,200 participants and volunteers. In 2022 the event was safely conducted in Eagle Idaho and hosted more than 700 participants, volunteers, and spectators.

2023 will be the fifth year in which the ABMF conducts the ABMPHR, to be held on August 19th in beautiful Eagle, Idaho. This 5th annual event is expected to host well over 1,000 participants.

With guest speakers, engaging visual materials, and meaningful content, the PHRs are more than just runs - they are emotional and educational experiences!
